

I am disgusted and outraged by Sinclair's obvious political engineering. Forcing their stations to air an anti-kerry show days before the election is downright unamerican and must be stopped! It is a clear example of the dangers of media consolidation. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. If they persist in this blatant act I vote to refuse them a new license.
Please address this appropriately.
Thank you.
